

**Step1:** Open any browser like Google Chrome, Mozilla, Edge and type <https://www.office.com/>

**Step2:** Click on sign in and enter the seed succeed credentials that is **provided by coach** and then click on sign in. If you haven't received the credentials or forgot the password, please contact coach. **Should not enter your personal credentials here.**

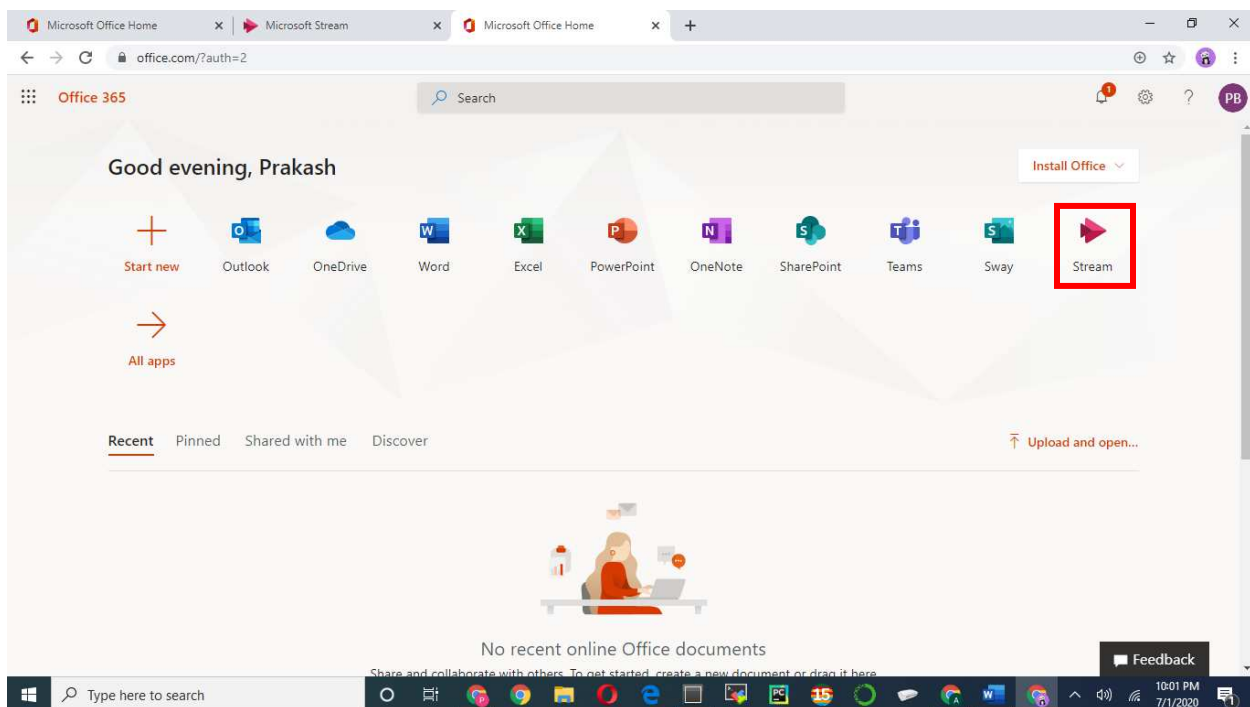

**Step3:** For the first time it might ask you to verify your mobile number and personal email address using OTP to provide you with the password reset link if you forget the password anytime in future. Click on **set it up now** for phone and email one by one and then click on finish. (This is only for the very first time when you login)

**Step4:** Microsoft home page will open up and there you could see **Stream** app at the right hand side corner. (If you couldn't find the streams app in the list, click on **All Apps** and there it will be available)

Just click on it to get open and you are good to go 😊

The image is a screenshot of a web browser displaying the Microsoft Stream homepage. The browser's address bar shows the URL 'web.microsoftstream.com/?auth\_upn=prakashbaskarchess@seedsucceed.com'. The page header includes the 'Stream' logo and navigation links for 'Home', 'Discover', 'My content', 'Create', and 'Search'. The main content area features a large video thumbnail for 'Chess in Tamil RD50' with a 'TRENDING' badge. Below the video is a notification banner that says 'Invite your coworkers to upload videos. Everyone in your company can contribute.' At the bottom, there is a link to 'Learn how to use Microsoft Stream' and a Windows taskbar with various application icons and a system clock showing 10:04 PM on 7/1/2020.
